

# Uniform Shop & New Students

It is essential that all new students visit the shop for a fitting as the formal uniform is more complex than the more casual style generally worn in primary school. By taking the time early and getting an appropriate fit, you will save time later exchanging items that do not fit properly.

The Uniform Shop is open Monday to Thursday mornings 8:15 to 11:15 each term and supplies all uniform requirements except footwear.

During **Term 4** the shop operates additional hours to accommodate appointments for uniform fittings for all new students coming to school in January. Allow 20 mins for a fitting.

1 fitting appointment per student and only 1 accompanying adult per fitting appointment please.

An Online Booking System will operate throughout Term 4 2021 and the first few weeks of Term 1 2022 for parents to make appointments.

We understand that your students will probably grow during the summer break and choose sizes accordingly, **so don't panic!** Its ok to buy uniforms as early as October, our team are very experienced!

If it is difficult to cover the cost of the entire uniform this early, still attend for a fitting during **Term 4**, so you know what size to purchase later.

**ONLINE SHOP** – The Uniform shop uses the **Qkr** mobile App where you can select and purchase all our uniforms and collect the following trading day.

For all current information about operating hours, how to make an appointment and price list, check the school website and navigate to the **Uniform shop page** under the Facilities tab. Keep checking the site throughout Term 3 and Term 4 for any updates.

The uniform shop no longer stocks books and stationary items supplies. These can be purchased from MK Educational in Aspley. Please refer to the book list on the school website for all information about ordering these items.

We look forward to meeting you and your students during Term 4 and again in Term 1 next year.
