  - Students will be expected to follow the School of Excellence Behaviour Management process to remain enrolled in the course.
- Program of Excellence – Rugby League will be studied during normal class time and outside school hours. A high degree of commitment to this course is essential and students must be prepared to sacrifice their own time for training, gym work and games, both before and after school, as well as the occasional evening/weekend. Each year an additional small levy will be charged per student. This will assist in providing apparel, specialist tutors, strapping and guest speakers for workshops.
