Write a brief statement about your special interest in School of Excellence - Netball.

I understand that there are limited places in the School of Excellence – Netball Program and that submission of an application form does not mean automatic acceptance into the program.

Parent's Signature _____ Date _____

Expectations

All students must meet the criteria in Behaviour and Effort outlined in the Behaviour Management process.

Students will be expected to attend school regularly and to work diligently in all their school subjects. Students will also be expected to follow the School of Excellence Behaviour Management process to remain enrolled in the course.

School of Excellence - Netball will be studied during normal class time allocated for junior subjects (year 9), as well as during additional hours in the gym and on the training court. A high degree of commitment to this course is essential and students must be prepared to sacrifice their own time for training, gym work and games before and after school, as well as in the evenings and on weekends.

PLEASE SUBMIT THIS FORM TO MRS PARKER

This does not automatically guarantee acceptance into the school or enrolment into the class.
