Instrumental Music **KICKS**

Dear Parents/Guardians,

The Wavell State High School Instrumental Music Program will begin the year with a Kickstart camp (KICKS). This day camp is a compulsory day for all students participating in the program in 2016. Students will be grouped into their respective ensembles and will spend the time rehearsing and getting to know their fellow students and teachers. It is the best way for a new student to gain confidence in their new environment and give them the information needed to settle into the new school year. It is also a time for the older, more advanced students to get a head start on their repertoire program for the early performances and competitions they will be entering into.

DETAILS
