

# Wavell State High School

## School review conducted 27 to 30 April 2021

Every Queensland state school is reviewed by the Department of Education at least once every four years. School reviews provide important feedback to support schools in continuing to deliver quality education and improve learning outcomes for students.

### Review highlights

- ✓ High expectations for achievement, effort, attendance, and behaviour.
- ✓ Providing the best possible opportunities for students to succeed.
- ✓ Staff members are committed to the success of all students.
- ✓ Committed to highly effective teaching practices.

### Consultation

**Total of 184 interviews**

**15 community members and stakeholders**

**101 school staff**

**52 students**

**16 parents and carers**

**Each school review generates a number of key improvement strategies to inform continuous improvement in all state schools. The next steps are...**

- ➔ Enhance the instructional leadership capabilities of key members of staff, and implement effectively across the school.
- ➔ Further develop and systematically enact agreed and consistent moderation processes across junior secondary.
- ➔ Fully implement all aspects of the New Art and Science of Teaching and embed its consistent and effective use across the school.
- ➔ Review school-wide approaches to utilisation of information and communication technology with a view to establishing agreed digital pedagogical practices in each classroom.
- ➔ Refine and systematically implement school-wide processes to further build a whole-school ethos for precise collection, use and analysis of student performance data.
