RTO policy and procedures

Recognition of Prior Learning (RPL) Policy

June 2016

Policy Statement

The school RTO Wavell State High School is committed to providing all students with a fair and accessible process for Recognition of Prior Learning (RPL). The process acknowledges the skills, knowledge, performance outcomes and learning achieved prior to undertaking a program of study with Wavell State High School RTO.

Through the collection and submission of a portfolio of evidence and discussion with Wavell State High School trainers and assessors, students may apply to have their existing knowledge and skills assessment against the units of competency contained in a program offered. The units of competency are listed in the Student Curriculum Handbook and on the school website under Vocational Education.
